Brustzentrum 28
Muskelzentrum/ALS clinic 29
Institut für Immunbiologie 30
Palliativzentrum 31
Clinical Trials Unit 32
SBI 32

Kantonsspital St. Gallen - Publikationen

Wissenschaftliche Erkenntnisse sind die Treiber von Fortschritt und Innovation. Die Mitarbeiterinnen und Mitarbeiter des KSSG forschen deshalb aktiv und die erzielten Ergebnisse, aber auch die laufenden klinischen Studien, werden durch die Forschungs- und Studiendatenbank des KSSG (**www.forschung.kssg.ch**) der Öffentlichkeit zur Verfügung gestellt. In der Datenbank finden sich aktuell ca. 4200 Publikationen und über 400 Projekte, an denen Mitarbeiter/innen des KSSG beteiligt waren bzw. sind.

2012 wurden 306 Publikationen mit Beteiligung von Forschenden am KSSG veröffentlicht. 214 dieser Beiträge wurden in Journalen mit Impact-Faktor publiziert. (Abb. 1). Der Impact-Faktor einer Fachzeitschrift gibt an, wie oft ein Artikel aus dieser Zeitschrift von anderen Forschenden zitiert wird. Für die Berechnung des mittleren Impact-Faktors der Publikationen des Kantonsspital St.Gallen, wurden Daten des Journal Citation Reports® aus dem Jahr 2011 verwendet.

Die Analyse aller Publikationen des Jahres 2012 in Journalen mit Impact-Faktor ergab einen mittleren Wert von 4.5 (Abb. 2). Über die vergangenen 3 Jahre betrachtet ist die Qualität der Publikationen (Impact/Publikation) konstant auf gutem Niveau.

Die Auswertung der Publikationsdaten nach Medizinischen Departementen zeigt (Abb. 3), dass in allen Disziplinen intensiv geforscht und publiziert wird. Grosse Departemente, wie die Innere Medizin (Med.Dept. I), steuern den Grossteil zur Publikationsleistung am Kantonsspital St.Gallen bei. In Abbildung 3 ist die Publikationstätigkeit der Jahre 2010 – 2012 in den einzelnen Departementen gezeigt. Detaillierte Auswertungen können beim Medizinischen Forschungszentrum angefordert werden.

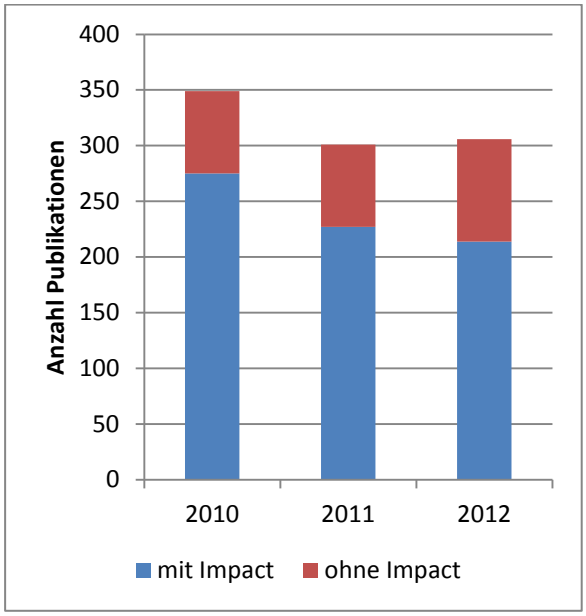

Abb. 1. Anzahl der Publikationen in Journalen mit oder ohne Impact-Faktor in den Jahren 2010 - 2012.

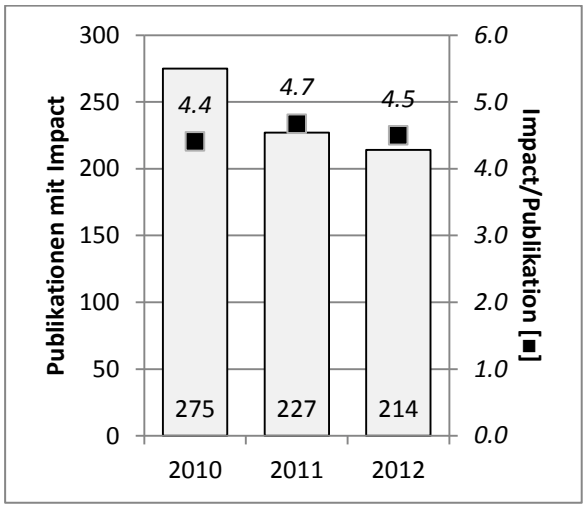

Abb. 2. Mittlere Qualität der Publikationen gemessen als durchschnittlicher Impact-Faktor.

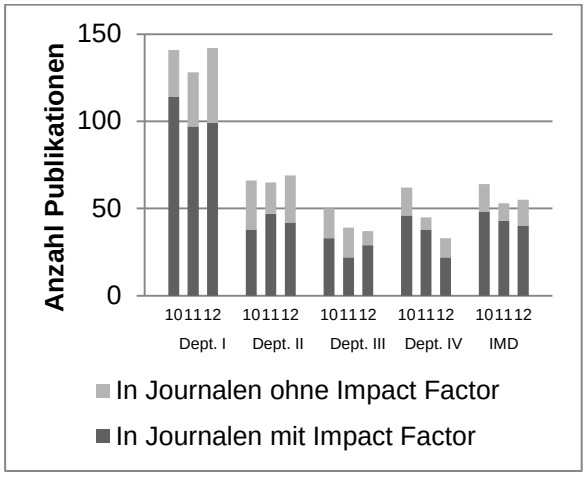

Abb. 3. Publikationsstatistik in den Departementen I-IV und IMD in den Jahren 2010 – 2012.

Die Publikationen wurden direkt aus der Forschungs- und Studiendatenbank des KSSG extrahiert (**www.forschung.kssg.ch**). Für die Vollständigkeit und Richtigkeit der Publikationen in der Datenbank tragen die Fachbereiche die Verantwortung. Durch Anklicken des Bereichs/Instituts wird man direkt auf die Publikationen in der Datenbank verlinkt.

Departement I
