

Arrival and parking options Kantonsspital St.Gallen

Here's how to find us

Bus

Local bus numbers 1 (Stephanshorn), 2 (Guggeien), 7 and 8 (Neudorf) stop right outside the St.Gallen Cantonal Hospital and St.Fiden bus stop. The number 11 bus (Abacus-Platz) stops at the Spitalstrasse bus stop (by the Böschenmühle car park).

Postauto

The post bus routes to/from Rehetobel/Heiden (no. 121), Eggersriet / Heiden (no. 120), Goldach / Rorschach (no. 242), Obersteinach/Steinach (no. 210) and Horn/Steinach (no. 211) also stop outside the hospital (not at the St.Fiden bus stop).

Train

There are signposts for the hospital (Spitäler / Kantonsspital) on the path from the St.Gallen – St.Fiden train station.

Car

To reach the hospital by car, take the St.Fiden / Spitäler freeway exit. Visitors can use the «Parkhaus Cityparking Stadtpark AZSG» as well as the «parking B» or «parking C».

Note: Various preliminary works are currently being carried out at the St.Gallen Cantonal Hospital as part of the preparation for the new building. This means that parts of the inner area need to be blocked for the site installation, and due to safety reasons and lack of space. The works can occasionally affect access to the hospital.

Please read the signs around the hospital and leave enough time to get to your appointment.

Patients who wish to arrive by car should park in the «parking B», «parking C» or the «Parkhaus Cityparking Stadtpark AZSG».

- 25A Main reception
- ZNA Main emergency reception
