

VERTRAULICH

Erhebung der Familienanamnese von Frau/Herr _____

The diagram is a family tree form. At the top, it branches into two sides: paternal (väterl.seits) and maternal (mütterl.seits). Each side starts with boxes for 'Grossmutter' and 'Grossvater'. Below these are boxes for 'Onkel und Tanten (vs)' and 'Onkel und Tanten (ms)'. In the center are boxes for 'Vater' and 'Mutter'. Below these are boxes for 'Geschwister' (siblings). To the right of the siblings is a box for 'ICH' (the patient), which is highlighted in yellow and has an arrow pointing to it. To the right of 'ICH' is a box for 'Partner/Partnerin'. Below 'ICH' and 'Partner/Partnerin' are boxes for children.
